

## FAQs \_\_\_\_\_ *Frequently Asked Questions, 2019*

### *What's the point of a civic association?*

To meet neighbors and build connections, to learn about or take part in issues affecting us locally (for example, speeding on Tenbrook), and to accomplish projects of interest (for example, renovating the four SLIGO WOODS signs). We organize events that are open to the whole neighborhood—for example, the Halloween parade and the summer picnic—and welcome people moving into the neighborhood.

### *Who can be a member?*

Everyone who lives in this neighborhood is welcome! (Sligo Woods is bounded by University Blvd, Dennis Ave, and Sligo Creek Park.) We have ~700 homes here and, so far, 250 member-households.

### *Why join?*

Be community-minded! Members are sent notices of events and meetings (with care not to contribute to email overload). Only members may take part in the Civic Association's listserv, which allows individuals to share info and views with other members.

### *How much are the dues?*

Dues are \$15/year, and they cover expenses of communications, programs, events, meetings, and project materials. Expenses in 2018 were ~ \$1,200. To be eligible to vote at elections or serve on the Board, members must be dues-payers for that year, but you remain a member of the Civic Association regardless of dues (after initial enrollment).

### *More questions?*

Email [SligoWoods@gmail.com](mailto:SligoWoods@gmail.com) and one of the Board members will reply to your question. Or you may phone (301) 681-9686.
